

# HAND SANITISER

ALCOHOL-FREE

## ALCOHOL-FREE HAND SANITISER SOLUTION

Sychem Protect Plus is an odourless, non-tainting skin sanitiser, designed for frequent use. Formulated using predominantly vegetable derived bactericides and foaming agents.

Sychem Protect Plus alcohol-free hand sanitiser is a disinfectant / antiseptic technology platform that offers safe, effective, user friendly skin cleansing, disinfection, and sanitation.

This range is available as a hand wash and a hand sanitiser.

### Application

Apply a small amount to the hands and rub in well, paying particular attention to fingernails and the area between the fingers. Allow hands to air dry. Application to cracked or cut skin should be avoided.

### Toxicological Information

- This product is formulated from cosmetic grade ingredients and is intended to be applied directly to the skin
